## It's modern art 'as original as you are'

DNA 11

**Abstract art:** From a sample of your DNA.

have lots of customers in the financial industry," he says. "Not sure what that means, but lots of CEOs of big companies."

The process — they send you a kit, you send back your saliva, it goes to a lab — takes six to eight weeks through dna11.com.

Prices start at \$390 for an 18-by-24-inch image.

Want to be even trendier? DNA 11 is now offering split screens: two DNAs on one canvas.
